

Dear member

Our Education day is fast approaching, following Registration and preceding the Education day we are going to be holding our AGM commencing at 09:00 on the 24<sup>th</sup> of September.

An important agenda item for the AGM are proposed changes to our Articles and Memorandum of Association, these amendments are designed to both widen the scope of the Society and maintain our relevance as an officially recognised body for Audiology in Ireland.

As this is a private document and not for general release it will only be available in the Members Area of the ISHAA website.

Could you please take the time to read through the document and raise any questions or queries at the AGM.

I look forward to seeing you all on the 24<sup>th</sup> for this, the last Education Day of 2022.

Derek Lacey

President ISHAA
